EXPLANATORY MEMORANDUM

This Explanatory Memorandum forms part of a Notice convening an Annual General Meeting of shareholders of Papyrus Australia Limited to be held on 29 November 2012. This Explanatory Memorandum is to assist shareholders in understanding the background to and the legal and other implications of the Notice and the reasons for the resolutions proposed. Both documents should be read in their entirety and in conjunction with each other.

Other than the information set out in this Explanatory Memorandum, the Directors believe that there is no other information that could reasonably be required by shareholders to consider Resolutions 1 to 4 (inclusive).

1. RESOLUTION 1: ADOPTION OF REMUNERATION REPORT

The Annual Report for the year ended 30 June 2012 contains a Remuneration Report which sets out the remuneration policy of the Company.

An electronic copy of the 2012 Annual Report is available to download or view on the Company's website at www.papyrusaustralia.com.au/news/releases/. The 2012 Annual Report has also been sent by post to those shareholders who have previously elected to receive a hard copy. In addition, the Company has also enabled online voting, details of which are explained on the proxy form.

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report be put to the vote of the Company. Shareholders should note that the vote on Resolution 1 is advisory only and, subject to the matters outlined below, will not bind the Company or the Directors. However, the Board will take the outcome of the vote into consideration when reviewing the Company's remuneration policy.

Section 250R(4) of the Corporations Act prohibits a vote on this resolution being cast (in any capacity) by or on behalf of any of the following persons:

- (a) a member of the Key Management Personnel details of whose remuneration are included in the Remuneration Report; or
- (b) a Closely Related Party of such a member.

However, under new section 250R(5) of the Corporations Act a person described above may cast a vote on Resolution 1 as a proxy if the vote is not cast on behalf of a person described above and either:

- (a) the person is appointed as a proxy by writing that specifies the way the proxy is to vote on the resolution; or
- (b) the person is the chair of the meeting and the appointment of the chair as proxy:
 - (i) does not specify the way the proxy is to vote on the resolution; and
 - (ii) expressly authorises the chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company or, if the Company is part of a consolidated entity, for the entity.

Please note that if the chair of the meeting is your proxy (or becomes your proxy by default), you expressly authorise the chair to exercise your proxy on Resolution 1 even though it is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company, which includes the chair. If you appoint the chair as your proxy you can direct the chair to vote for or against or abstain from voting on Resolution 1 by marking the appropriate box on the proxy form.

The chair intends to vote undirected proxies in favour of Resolution 1.

Resolution 1 is an ordinary resolution.

Please also note that under sections 250U and 250V of the Corporations Act, if at two consecutive annual general meetings of a listed company at least 25% of votes cast on a resolution that the remuneration report be adopted are against adoption of the report, at the second of these annual general meetings there must be put to the vote a resolution that another meeting be held within 90 days at which all directors (except the managing director) who were directors at the date the remuneration report was approved at the second annual general meeting must stand for re-election. So, in summary, shareholders will be entitled to vote in favour of holding a general meeting to re-elect the Board if the Remuneration Report receives 'two strikes'. The Remuneration Report did not receive a 'first strike' at the Company's 2011 annual general meeting.

2. **RESOLUTION 2: RE-ELECTION OF COLIN DUNSFORD AS DIRECTOR**

In accordance with Listing Rule 14.5 and rule 8.1(e)(2) of the Constitution at every Annual General Meeting one third of the Directors for the time being (excluding those who retire under rule 8.1(e)(1) of the Constitution and the managing director) must retire from office and, in accordance with rule 8.1(h) of the Constitution, are eligible for re-election. Accordingly, Mr Colin Dunsford retires as a Director of the Company and, being eligible, offers himself for re-election.

A resume for Mr Dunsford follows:

Colin Dunsford B.Ec., FCA (Non-Executive Director)

Mr Dunsford is a former partner of Ernst and Young, having joined the firm in May 2002 as a result of the integration with Arthur Andersen. At Arthur Andersen, Mr Dunsford was Managing Partner and Division Head of the Adelaide Assurance and Business Advisory Division with many client responsibilities, a position held at Ernst and Young until his retirement in July 2010. During his more than 40 year professional career, Mr Dunsford has had extensive experience with a wide range of corporate, government and incorporated clients in Australia and the United States of America.

Mr Dunsford's current directorships include Chairman of Bedford Group, Independent Gaming Corporation, Adelaide Symphony Orchestra and Leaders Institute of South Australia. Mr Dunsford is a Board member of Aboriginal Foundation of South Australia and University of Adelaide Finance Committee. Mr Dunsford joined the Board of the Company in October 2010 and is Chairman of the Company's Audit Committee.

Resolution 2 is an ordinary resolution.

The Directors (other than Mr Dunsford) recommend that shareholders vote in favour of Resolution 2.

The chair intends to vote undirected proxies in favour of Resolution 2.

3. **RESOLUTION 3: APPROVAL OF 10% PLACEMENT FACILITY**

3.1 **General**

Listing Rule 7.1A enables an eligible entity to issue Equity Securities up to 10% of its issued ordinary share capital through placements over a 12 month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the eligible entity's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities which may be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to section 3.2(c)).

3.2 **Description of Listing Rule 7.1A**

(a) **Shareholder approval**

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

(b) **Equity Securities**

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue the following classes of Equity Securities:

- ordinary shares quoted on ASX (131,144,764 ordinary fully paid shares)
- options not quoted on ASX (8,692,641 unlisted options)

(c) **Formula for calculating 10% Placement Facility**

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 10% Placement Period (refer to section 3.2(f)), a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

A is the number of fully paid ordinary shares on issue 12 months before the date of issue or agreement:

- plus the number of fully paid ordinary shares issued in the 12 months under an exception in Listing Rule 7.2;

- plus the number of partly paid ordinary shares that became fully paid in the 12 months;
- plus the number of fully paid ordinary shares issued in the 12 months with approval of holders of ordinary shares under Listing Rules 7.1 and 7.4;
- less the number of fully paid ordinary shares cancelled in the 12 months.

(Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.)

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice, the Company has on issue 131,144,764 ordinary shares and therefore has a capacity to issue:

- (i) 19,671,714 Equity Securities under Listing Rule 7.1; and
- (ii) subject to shareholder approval being obtained under Resolution 3, 13,114,476 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to section 3.2(c)).

(e) Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within five Trading Days of the date referred to in section 3.2(e)(i), the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; and
- (ii) the date of the approval by shareholders of a transaction under Listing Rule 11.1.1 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

or such longer period if allowed by ASX (**10% Placement Period**).

3.3 **Listing Rule 7.1A**

The effect of Resolution 3 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period in addition to using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 3 is a special resolution and therefore requires approval of at least 75% of the votes cast by shareholders entitled to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative) on the Resolution.

3.4 **Specific information required by Listing Rule 7.3A**

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows to the extent that such information is not disclosed elsewhere in this Explanatory Memorandum:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities in the same class over the 15 Trading Days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within five Trading Days of the date in section 3.4(a)(i), the date on which the Equity Securities are issued.
- (b) There is a risk that:
 - (i) the market price for the Company's Equity Securities in the same class may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities in the same class on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the risk of voting dilution of existing shareholders on the basis of the current market price of shares and the current number of ordinary shares for variable 'A' calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- (iii) two examples where variable 'A' has increased, by 50% and 100%. Variable 'A' is based on the number of ordinary shares the Company

has on issue. The number of ordinary shares on issue may increase as a result of issues of ordinary shares that do not require shareholder approval (for example, a pro rata entitlements issue) or future specific placements under Listing Rule 7.1 that are approved at a future shareholders' meeting; and

- (iv) two examples of where the issue price of ordinary shares has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in formula in Listing Rule 7.1A.2		Issue Price		
		\$0.009 50% decrease in issue price	\$0.017 issue price	\$0.034 100% increase in issue price
Current Variable 'A' 131,144,764 shares	10% voting dilution	13,114,476 shares	13,114,476 shares	13,114,476 shares
	Funds raised	\$118,030	\$222,946	\$445,892
50% increase in current Variable 'A' 196,717,146 shares	10% voting dilution	19,671,714 shares	19,671,714 shares	19,671,714 shares
	Funds raised	\$177,045	\$334,419	\$668,838
100% increase in current Variable 'A' 262,289,528 shares	10% voting dilution	26,228,952 shares	26,228,952 shares	26,228,952 shares
	Funds raised	\$236,060	\$445,892	\$891,784

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No current options are exercised into shares before the date of the issue of the Equity Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular shareholder by reason of placements pursuant to the 10% Placement Facility, based on that shareholder's holding at the date of the Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A and no other issues of Equity Securities.
- The issue of Equity Securities under the 10% Placement Facility consists only of shares.

- The issue price is \$0.017, being the closing price of the shares on ASX on 15 October 2012.
- (c) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 3 for the issue of the Equity Securities will cease to be valid in the event that shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).
- (d) The Company may seek to issue the Equity Securities for the following purposes:
- (i) non-cash consideration for the acquisition of new assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as referred to in the Note to Listing Rule 7.1A.3; or
 - (ii) cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new assets or investments (including expense associated with such acquisition) and/or general working capital.
- (e) The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.
- (f) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities and the number of Equity Securities allotted to each will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:
- (i) the methods of raising funds that are available to the Company including, but not limited to, rights issue or other issue in which the existing security holders can participate;
 - (ii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial shareholders and/or new shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new assets or investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new assets or investments or the nominee of such vendors.

- (g) The Company has not previously obtained shareholder approval under Listing Rule 7.1A.
- (h) A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing shareholder's

votes will therefore be excluded under the voting exclusion statement in the Notice.

Resolution 3 is a **special resolution**.

The Directors recommend that shareholders vote in favour of Resolution 3.

The chair intends to vote undirected proxies in favour of Resolution 3.

4. **RESOLUTION 4: APPOINTMENT OF GRANT THORNTON AUDIT PTY LTD AS AUDITOR**

Grant Thornton has recently combined from a State based federation of firms into a single national firm. Accordingly, they are transferring all of their audit appointments into a new single national audit entity (Grant Thornton Audit Pty Ltd) to replace their various State based audit entities. For public companies the appointment of a new audit entity requires a resolution of shareholders at the Annual General Meeting.

The Company's Audit Committee has considered and agreed to this change and the Board has agreed to this resolution being presented to the shareholders of the Company for formal vote. To give effect to the change the current Grant Thornton audit entity has requested ASIC's consent to resign in favour of their new national Authorised Audit Company, Grant Thornton Audit Pty Ltd. This resolution is conditional upon ASIC's consent to the resignation of Grant Thornton South Australian Partnership, and the Company anticipates that this consent will be forthcoming.

In accordance with section 328B of the Corporations Act, notice in writing nominating Grant Thornton Audit Pty Ltd has been given to the Company by a shareholder. A copy of this notice is included in Annexure A to this Explanatory Memorandum.

Subject to approval by shareholders, the appointment of Grant Thornton Audit Pty Ltd will be effective for the 2013 financial year. Grant Thornton South Australian Partnership remains responsible for the audit for the 2012 financial year.

Resolution 4 is an ordinary resolution.

The Directors recommend that shareholders vote in favour of Resolution 4.

The chair intends to vote undirected proxies in favour of Resolution 4.

5. **RESOLUTION 5: AMENDMENT TO CONSTITUTION – PAYMENT OF DIVIDENDS**

Resolution 5 seeks approval to the proposed amendment to the Company's Constitution to remove the restriction to pay future dividends only from the Company's profits.

The changes proposed to the Constitution result from amendments to the Corporations Act on 28 June 2010, which govern the circumstances in which companies may pay dividends. Previously, a company could only pay dividends out of profits (commonly known as the 'profits test'). Section 254T of the Corporations Act now operates to prohibit the payment of dividends unless the following three new tests are satisfied:

- assets exceed liabilities immediately before the dividend is declared and the excess covers the dividend; and
- the payment is fair and reasonable to shareholders as a whole; and
- the payment does not materially prejudice the company's ability to pay its creditors.

The Constitution contains provisions which largely mirror or complement the former statutory profits test in relation to the payment of dividends.

The purpose of this proposed amendment is to align the Constitution with the new provisions of the Corporations Act, and to enable the Company to take advantage of the flexibility to pay future dividends out of amounts other than profits under the new solvency based regime.

Section 136(2) of the Corporations Act provides that a company may modify its constitution, or a provision of its constitution, by special resolution.

Resolution 5 is a **special resolution**.

The Directors recommend that shareholders vote in favour of Resolution 5.

The chair intends to vote undirected proxies in favour of Resolution 5.

Proxy Form

For your vote to be effective it must be received by 2.00 pm (Adelaide time) on Tuesday 27 November 2012

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

Appointment of Proxy

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote as they choose. If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

Signing Instructions

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held. Delete titles as applicable.
